BERNAT®

Fabwoolous

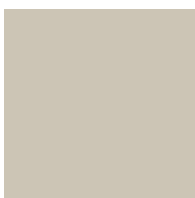

80% anti-pill hi-bulk acrylic blended with 20% superwash wool. The anti-pill properties of the fiber allow pills to fall off easily in the washer/dryer or in the friction of wear. The superwash properties add softness to the touch and ensures the wool will not shrink or felt. Bright and cheerful shades can be combined for creative multi-colored projects.

Content:	80% Anti-Pill Hi-Bulk Acrylic, 20% Superwash Wool
Gauge:	#4 Medium Worsted

Patons®

Products

Patons® Kroy Socks™ wool and nylon blend offers extra durability while keeping the yarn soft and warm. The wool in the sock yarn keeps moisture away from your skin, and vibrant colors and patterns combine with self patterning stripes and jacquard to enhance your woolen garment and accessories. This fine wool blend yarn is machine washable and dryable for easy care.
