CLEARANCES continue...

Due to significant growth in our Zweigart and DMC sales over the last few years and steady sales of our knitting yarn, we are concentrating our efforts and resources primarily on these three product lines.

As our Zweigart selection grows you will notice us slowly discontinuing other lines, a few of which we have distributed for many years. These include Aunt Martha's transfers, paints, flour sack towels and pillow cases, Prym needles, hooks and accessories

*As we add these lines to our Clearance Section, along with the remaining inventories of Clover, Aero and Boye products, we are increasing the clearance discount to **50% off** on all of them. First come, first served, while quantities last.*

**The surcharge continues...**

Late last summer, Zweigart imposed an 11% "temporary" surcharge on all their **LINENS**. It is still in effect and we have no choice but to include that surcharge on our linens until further notice. We will clearly indicated on our invoices that the 11% is included in the prices charged.

This **does not** include Aida Cloths, Fiddler's, Easy Grids, Luganas, Linda or Canvases.

It **does** include Belfast, Cashel, Dublin, Edinburgh, Newcastle and Quaker.
